

nab Mobile Sight Centre

July, August & September 2012

Dear Friends

Since 1994 our Mobile Sight Centre has been travelling the length and breadth of the county and, for the past few years, it has been my privilege to drive the vehicle and act as your host as each month we visit towns and villages across Northamptonshire.

As well as a source of free, friendly and impartial information and advice, the vehicle stocks a wide range of everyday living aids and gadgets specifically designed to help make life that little bit easier for visually impaired people. And, as my regular visitors will know, following a recent review you will find everything extremely keenly priced.

Please check over the page to see when and where I will be over the next 3 months (July, August & September) and, if you're after some advice, information, aids or gadgets, why not pop along and see me. Everyone's invited including, of course, family members, carers and friends.

Please note that this 'date sheet' will be sent to you once a quarter and replaces the A4 poster' you previously received. This is the June issue; the next will be in September followed by December and then March etc.

I look forward to welcoming you on board. You are all most welcome.

Best wishes

**Fred Cannon
Mobile Sight Centre Officer**
